

**Conundrum Café**  
**"Where the Roads Meet"**  
 M-22 and M-168  
 Located in the historic  
 Village of Elberta, Michigan

The north portion of the café was built in 1880 by A.E. Banks, as a general mercantile. The building was originally located on the Betsie Bay near The Cabbage Shed. The building was moved to George M. Street when the railroad was expanded, then to its present location- the north 40 feet of lot 1- by George Rupright in 1910. Since 1910 the building has housed a restaurant, watch shop, barber shop, pizza parlor, bait and tackle shop, and a whole lot more!

The building was completely remodeled in 2006. The name "Conundrum Café" reflects the unique nature of the building and the business- a little bit of this, a little bit of that, and a whole lot more!
